

About the Institute

Shri Govindram Seksaria Institute of Technology and Science, Indore established in 1952 as a tiny Institute has grown in to a leading technological Institution not only in the state of Madhya Pradesh but also in the entire central and western regions of the country. All India Council of Technical Education (AICTE), New Delhi and University grants Commission (UGC), New Delhi granted the status of an Autonomous Institution in 1989. All the major UG and PG programmes have been accredited by the National Board of Accreditation of AICTE.

At present, the institute offers 10 Undergraduate and 19 Post Graduate courses with an annual intake of 720 and 375 students respectively including Master's Degree in Applied Sciences and Pharmacy. M.C.A. courses with annual intake 60 students is being offered since 2000-2001 and M.B.A. course started from this year only. The institute runs five Part Time degree courses with intake of 30 students in each. The Institute is a nationally recognized center for carrying out research leading to Ph.D. degree in Engineering, Applied Science ad Pharmacy. Recently, a MBA course and two new PG courses in Mechanical Engg and Electronic & Instrumentation Deptt have been approved by AICTE.

The Institute is involved in Continuing Education Programme and also provides Testing and Consultancy services. The Institute has successfully completed a large number of sponsored Research Projects funded by UGC, AICTE, DST, DAE, CSIR etc. the Institute also supports IGNOU, New Delhi for its technical courses.

SGSITS has a tradition of imparting good knowledge and ethical values to students. Recently, SGSITS is ranked among top 35 colleges in the nation including IITs (Indian Institute of Technology) and NITs (National Institute of Technology). The institute has an excellent track record of placements. Students of this glorious institute have proved their mantle in industry, academics, and administration over the last 60 years, resulting in one of the strongest alumni base in the country and abroad. This glory has been due to the synergetic efforts of management, learned faculty, dedicated staff and sincere students over these years.
